EDUCATION

Degree/Certificate	Institute/Board	CGPA/%	Year
B.Tech CSE AI)	Institute of Engineering & Management, Kolkata	8.62	2028 (Exp.)
Senior Secondary (XII)	Raymond Memorial Higher Secondary School, West Bengal	76.6%	May 2024
Secondary (X)	Raymond Memorial Higher Secondary School, West Bengal	93.2%	May 2022

EXPERIENCE

Pinnacle Labs — Java Development Intern *March 2026-April-2026*
Remote (Virtual)

- Developed a system in Java for managing library books, including features like borrowing, returning and inventory tracking .
- Designed a Java-based system system for booking flights, including flight information, seat selection and payment processing.

PROJECTS

- **RideRight – Bus Tracking, Ticket Booking & Women Safety Web Application:** *Nov 2025*
  Developed a full-stack web application for real-time bus tracking and online ticket booking with integrated women safety features such as emergency alerts and live location sharing. Designed a responsive and user-friendly platform to enhance public transport accessibility, convenience, and passenger safety.
- **Smart Glasses for Visually Impaired (Arduino-Based Project):**
  Designed and developed a low-cost wearable assistive device using Arduino and ultrasonic sensors to detect obstacles, enhancing safe navigation for visually impaired individuals.
- **Detection of Heart Sound Using Machine Learning – Automated PCG Analysis:**
  Developed a machine learning-based system to analyze phonocardiogram (PCG) signals for automated heart sound classification, leveraging deep learning techniques to assist in early detection of cardiac abnormalities.

SKILLS

- **Programming Languages:** Python, C, Java
- **Frameworks & Tools:** GitHub, SQLite, VS Code
- **Soft Skills:** Problem-Solving, Leadership, Teamwork, Adaptability, Communication, Time Management

CERTIFICATIONS

- **NPTEL – IIT Kharagpur,** Ethics in Engineering Practice (Elite) *Oct 2025*
- **IBM (Coursera),** Introduction to CyberSecurity Tools & Cyberattacks *Oct 2025*
- **University of London (Coursera),** Cyber Security Fundamentals *Oct 2025*
- **The Chinese University of Hongkong (Coursera),** Information Theory *Mar 2026*
- **Data Analytics Job Simulation on Forage, Deloitte** *Jan 2026*
- **University of Colorado (Coursera),** Advance System Security Topics *Sep 2025*

ACHIEVEMENTS

- Participated in multiple hackathons, gaining experience in rapid prototyping and problem-solving under time constraints.
- Awarded Verbal Mention in the United Nations General Assembly – Disarmament and International Security Committee (UNGA DISEC) for strong research, diplomatic skills, and impactful participation in committee discussions.
